F C

Words don't come easy

B F

Without a melody

F C

I'm always thinking

B F

In terms of do-re-mi

F C

I should be hiking, swimming

B F

Laughing with you

F C F

Instead, I'm all out of tune

F C

But what you don't know

B F

You lift me off of the ground

F C

You're inspiration

B F

You helped me find my sound

F C

Just like a baseline in half-time

B F

You hold down the groove

F C F

That's why I'm counting on you

B C F Dm

And if I heard you on the radio

B C F Dm

I'd never want to change a single note

B C Am Dm

It's what I'm trying say all along

B F C

You're my favorite song

F C

I'm in a session, writing tracks

B F

You got another class to teach

F C

And then rehearsal with the band

B F

You're always one step out of reach

F C

I'm looking for some harmony with you

B F

It comes so naturally

F C F F

You help me find the right key
